++ Valid for broadcast between 1800 and 0600

Headline:
A wet evening with rain gradually easing overnight.

This Evening and Tonight:
It will be a wet evening, as a band of rain moves eastwards across the country, heaviest over western areas. Overnight, this rain will ease with most areas become drier with some clear spells. Winds easing further. Minimum temperature 6 deg C (43 deg F).

Thursday:
After a cloudy start, a largely dry day follows with sunny intervals. The odd shower is possible in the north. Rather mild but colder overnight with frost and fog possible. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Fresh start to Friday, leaving a dry and bright day. Cloudier, but largely dry for Saturday and Sunday, with sunny spells. Mild days throughout, but overnight frost and fog possible.
